Dear Minister,

Thank you.

On behalf of the members of the Ontario Council of the Canadian Federation of University Women, I would like to thank you for all your work in continuing the funding for child care subsidies here in Ontario.

We know and understand the frustration you and your colleagues must feel with the loss of federal funding, and support your campaign to have these funds reinstated. We join with other childcare advocates to applaud the Government's recognition of what is ultimately their responsibility.

While, as you know, the money is never enough to cover all that is needed, with the waiting lists still so long, we certainly appreciate what you did achieve both in this issue and with the funding for full day early learning.

The Ontario Council of the Canadian Federation of University Women is composed of 57 clubs across Ontario. We are non-partisan, non-sectarian and we are totally member funded. Our members are active in public affairs, advocating on public education, justice, health and environmental issues as well as the status of women and human rights. Ontario Council is part of the Canadian Federation of University Women and has links to the International Federation of University Women.

Yours truly,

A handwritten signature in cursive script that reads 'Myra Q. Willis'.
